

CORRIGENDUM-2
TENDER NO _AGL/0304/TO/CNG COMPRESOOR/05-19

Techno-commercial Query

Sr.no.	Clause No./Document No.	Page no.	Query Description	Bidder's Query	AGL Reply/Remarks
1	Bid Document, Corrigendum-1 Point no. 27	Page 6 of 20	Separate acoustic enclosure..... UV detectors in each enclosure	We would like to inform you that our design is approved by PESO as a heat resistant shield is provided to the engine to avoid direct contact of flammable gas with the hot surface of the engine in case of any abnormal condition. Hence there is no requirement of partition to isolate gas engine in the package.	Please refer Corrigendum-1 serial no. 27. Tender Condition Prevails
2	Bid Document, Corrigendum-1 Point no. 42	Page 7 of 20	(Defect liability period) twelve months period of liability from the date of issue of completion certificate	Please note that there is no backstop for defect liability period in GCC. Hence we request you to accept this clause as: Defect liability should be 12 months from commissioning or 18/24 months from supply which ever is earlier.	Tender Condition Prevails. Please refer Section V GCC-Goods clause no. 20 Guarantee - All Goods or Materials shall be supplied strictly in accordance with the specifications, drawings, data sheets, other attachments and conditions stated in the Contract. No deviation from such specifications or alterations or of these conditions shall be made without PURCHASER'S agreement in writing which must be obtained before any work against the order is commenced. All materials supplied by the SELLER pursuant to the Contract (irrespective of whether engineering, design data or other information has been furnished, reviewed or approved by PURCHASER) are guaranteed to be of the best quality of their respective kinds (unless otherwise specifically authorized in writing by PURCHASER) and shall be free from faulty design, workmanship and materials, and to be of sufficient size and capacity and of proper materials so as to fulfill in all respects all operating conditions, if any, specified in the Contract. If any trouble or defect, originating with the design, material, workmanship or operating characteristics of any materials, arises at any time prior to twelve(12) months from the date of the first commercial operation of the Plant for which the materials supplied under the Contract form a part thereof, or twenty four (24) months from the date of last shipment whichever period shall first expire, and the SELLER is notified thereof, SELLER shall, at his own expense and as promptly as possible, make such alterations, repairs and replacements as may necessary to permit the materials to function in accordance with the specifications and to fulfill the foregoing guarantees. PURCHASER may, at his option, remove such defective materials, at SELLER'S expense in which event SELLER shall without cost to PURCHASER and as promptly as possible, furnish and install proper materials. The SELLER shall similarly guarantee repaired or replaced materials for a period of no less than twelve (12) months from the date of replacement/repair.
3	Bid Document, Corrigendum-1 Point no. 45	Page 8 of 20	5% payment: On completion....validity of BG	In case erection and commissioning is delayed beyond 3 months from receipt of package at site, then 5% payment will be released to the vendor after 90 Days (3 months) of receipt of package at site against submission of security deposite equivalent to 5% value in form of BG for the period of 24 months (Warrantee period) is acceptable to us.
