1	SECTION III		SECTION III - Technical Specification	<p>Considering that the Quality Assurance Plan (QAP) and technical specifications for this project are identical to those of another ongoing project with other CGD's, we would like to know whether it is permissible to procure bulk materials under the name of the other client, while utilizing the same for supply and execution under the Avantika Gas contract.</p> <p>This arrangement will help in optimizing procurement timelines and costs, without compromising on quality or compliance, as both projects follow the same QAP and material standards.</p> <p>We request you to kindly confirm if this approach is acceptable, and whether any formal documentation or declarations would be required from our end to ensure traceability and transparency.</p> <p>Looking forward to your guidance on the above</p>	<p>Following points to be Noted</p> <p>1. TPIA Inspection in Bidder's Name: The bidder is requested to procure and conduct the Third-Party Inspection Agency (TPIA) inspection in the name of the bidder without specifying a particular CGD name.</p> <p>2. Alternative for Point 1: If the above is not possible, subject to the approved Quality Assurance Plan (QAP), we will consider the initial Inspection Report (IR) and Inspection Release Note (IRN) issued by TPIA in the name of another CGD.</p> <p>3. Requirements for Both Cases: In both of the above cases, the bidder is required to conduct:</p> <ul style="list-style-type: none"> - Dimensional checks - Physical checks of the material - Review of relevant technical documents <p>These activities are to be carried out by the Third-Party Inspection Agency (TPIA). Subsequently, the bidder must submit the latest Inspection Report (IR) and Inspection Release Note (IRN) in the name of AGL, duly issued by the TPIA.</p> <p>Note:-</p> <ol style="list-style-type: none"> 1. The Third-Party Inspection Agency (TPIA) should be PNGRB-approved. 2. No Payment shall be done other than SOR rate.
2	SECTION - I Clause No.4	Page 5 of 109	SECTION - I INVITATION FOR BIDS (IFB) DELIVERY PERIOD	Since these are Extended Stem Dual Purge Ball Valves which are imported product hence considering current global situation and sea route diversion , you are requested to provide delivery time extension 12-14 weeks please	Tender Condition Prevails
3	SECTION - I	Page 5 of 109	SECTION - I INVITATION FOR BIDS (IFB) CONTRACT DURATION	Only 85nos of BVs are too low a quantity for 02 years of ARC. It became even more challenging by considering import expenses, logistics and custom clearance. Hence you are requested to consider supply all these BVs against single PO as One Time supply	Tender Condition Prevails
4	SECTION III		SECTION III - Technical Specification	We are supplying these BVs to Aavantika against ARC, hence you are requested to follow same QAP . This will be of help and reduce multiple communications / approval process etc	Tender Condition Prevails
