**Expression of Interest (EOI) for Industrial & Commercial (I&C)
Last Mile Connectivity (LMC) Work**

NOTICE INVITING EXPRESSION OF INTEREST (EOI)

Reference No.: AGL/EXPRESSION OF INTEREST (EOI)/531/LMC I&C WORKS/25-26
Date: 03.04.2026

Aavantika Gas Limited invites offers through Expression of Interest (EOI) for submitting their proposal for execution of Last Mile Connectivity (LMC) Work pertaining to Industrial and Commercial connections in the Geographical Areas of Indore (Including Ujjain and Pithampur) of Madhya Pradesh.

EOI Details:

1. Aavantika Gas Limited is interested to expediting the project of I&C - LMC work by awarding work to experienced mainstream Contractors (working directly with other CGDs). Each eligible Five (05) Nos bidders shall be awarded a Work Order specifying unit rates corresponding to a Financial Limit of Rs 30 lakhs pertaining to execution of I&C connections work (LMC) at the published unit rates attached as SOR along with this EOI.
 - Five (05) Contractors will be engaged at Indore GA (including Ujjain & Pithampur)
2. EOI Schedule shall be as under:
 - a) Period: 04.04.2026 (From 18:00 Hrs) to 15.04.2026 (Up to 16:00 Hrs).
 - b) Last Date/Time for Submission of EOI: 15.04.2026 (Up to 16:00 Hrs).
 - c) EMD: Rs 70,000 (in form of DD or BG)

MSME vendors are NOT exempted from submission of EMD

AGL reserves the right to extend the EOI period and due date for submission.

3. EOI can be downloaded from the website www.aglonline.net within the above-mentioned period. Any amendment, clarification, corrigendum w.r.t. EOI will be hosted on www.aglonline.net. Applicants should regularly visit this website to keep themselves updated. Any query related to EOI may be submitted online only at Email ID cp@aglonline.net mentioning Reference No. in Subject line.
4. The completely filled Signed and Stamped EOI, along with requisite documents, is to be submitted **physically in sealed envelope** by Applicant to "Department - Contracts and Procurement, Aavantika Gas Limited, 2nd Floor, B Block, NRK Business Park, Vijay Nagar Square, Indore (Madhya Pradesh)" **or through email** at cp@aglonline.net mentioning Reference No. in Subject line.
5. EOI, complete in all respect, shall be opened and evaluated by Aavantika Gas Limited and the Applicant shall be informed accordingly on time to time basis.
6. AGL will not be responsible for any cost or expenses incurred by the Applicants in connection with preparation or delivery of EOI.
7. This Notice inviting EOI neither confirms the right nor an expectation on any party to participate in the proposed EOI. AGL reserves the right to accept or reject, any or all EOIs received at its absolute discretion without assigning any reason whatsoever.

NOTICE INVITING EXPRESSION OF INTEREST (EOI)

Reference No.: AGL/EXPRESSION OF INTEREST (EOI)/531/LMC I&C WORKS/25-26
Date: 03.04.2026

1. INTRODUCTION

In view of geo-political turbulence and war situation, AGL is receiving exponential increase in registrations pertaining to LMC of Industrial and Commercial customers. Thus, it is proposed to float an EOI, with following details:

- Work will be awarded to Five (05) contractors
- Each work order value will be having a Financial Limit of Rs 30 lakhs and only unit rates will be specified in the SOR
- Completion or validity period: One Year from the issuance of LOI
- Repeat Order clause: On execution of 70% of the awarded work within Six months from the date of issuance of LOI, contractor shall be eligible for award of repeat order at same rates, T&Cs.
- AGL's existing contractors for the intended work shall be eligible to participate in this EOI, subject to completion of a minimum of 50% of the already awarded similar work. However, award of new work shall be considered only after completion of the existing order value.
- All terms and conditions other than specified in this EOI shall remain applicable in reference to e-Tender AGL/Head Office/Contract and Purchase/11/24-25/ET/11 [LMC WORK INDS AND COMM] regarding Last Mile Connectivity (LMC) Work for Industrial and Commercial Connection at Indore GA including Ujjain & Pithampur area on ARC basis for Two (02) Years duly published on 22-Oct-2024.

2. EMD/BID FEES AND OTHER DETAILS:

EMD : Rs. 70,000 (in form of DD or BG)

The bid security shall be in the form of Demand Draft or Bank Guarantee in favour of Aavantika Gas Limited, Indore (India), valid for 2 months in excess of bid validity period i.e. for 05 months in the prescribed format of the bid document.

MSME vendors are not exempted from Bid Security and EMD.

3. TECHNICAL QUALIFYING CRITERIA:

The bidder must have executed a single order or multiple orders under one "Order of Award" or single contract for minimum value of Rs. 17.70 Lakh pertaining to MDPE/Steel Pipeline laying under Last Mile Connectivity project work for any City Gas Distribution entity in India as a main contractor in last 5 years reckoned from the last date of EOI submission.

Document submission requirement:

- A copy of Order of Award along with detailed SOR

Reference No.: AGL/EXPRESSION OF INTEREST (EOI)/531/LMC I&C WORKS/25-26

Date: 03.04.2026

- The Completion Certificate duly issued by client having cross reference to the order of award.
- In case of a Running Contract, bidder can furnish confirmation from client in the form of Provisional Completion Certificate towards the Executed value as on EOI due date

4. FINANCIAL BID EVALUATION CRITERIA:

Turnover : The contractor should have achieved a minimum turnover of Rs. 17.50 Lakhs in any one of the last 3 (three) audited financial years.

Working Capital : The contractor should have achieved a minimum working capital of Rs. 3.50 Lakhs in the last audited balance sheet.

Net Worth : Net worth must be positive as per last audited financial statement.

Contractors must submit copy of financial statements including Balance Sheet and Profit & Loss account statement certified by Chartered Accountant for last three audited financial years in support of the above

Contractors must submit copy of financial statements including Balance Sheet and Profit & Loss account statement certified by Chartered Accountant for last three audited financial years in support of the above.

Declaration Letter/Certificate for line of credit (If the bidder's working capital is inadequate)

- i) Declaration Letter/Certificate for line of credit due to short fall of working capital shall be from single bank only. Letters from multiple banks shall not be applicable. However, banking syndicate will also be acceptable wherein a group of banks can jointly provide line of credit to the bidder.
- ii) The bank shall be required to issue the letter from declaration/certificate of line of credit on their letter head along with the contact details of the issuing authority like email id, contact number etc. The Format for certificate from Bank for Line of Credit is attached in Tender Document.

AUTHENTICATION OF DOCUMENTS TO BE SUBMITTED IN SUPPORT OF BEC:

Technical Criteria of Bid Evaluation Criteria (BEC):

All documents in support of Technical Criteria of Bid Evaluation Criteria (BEC) to be furnished by the bidders shall necessarily be duly certified/ attested by chartered Engineer and notary public with legible stamp.

Note : Documents duly issued by AGL need not to be notarized / certified / attested.

Financial Criteria of Bid Evaluation Criteria (BEC):

Practicing Chartered Accountants shall generate Unique Document Identification Number (UDIN) for all certificates issued by them as per provisions of tender document.

However, UDIN may not be required for documents being attested by Chartered Accountants in terms of provisions of tender document.

5. EVALUATION AND METHODOLOGY FOR AWARD OF WORK:

- The Qualified Five (05) Contractors will be awarded Work Orders for LMC – I&C work having value Rs 30 Lakhs with a validity period of 12 months.
- In case the target number of Five (05) Contractors is not met within this batch of the EOI, then another EOI will be floated / hosted on the website.
- In case qualified entries for more than the targeted number (i.e. 05) are received then the work shall be awarded based on the annual turnover of the Contractors. For example, if 15 qualified contractors have submitted their EOI then the work shall be awarded to the first 05 Contractors in descending order based on their turnover

8	Excavation of pit for Hook up/Saddling of existing charged line at any depth for Connecting PNG Customers. (AGL existing MDPE charged pipeline depth varies from 1.0m to 4.0m.)	M ³	1	500.00
9	Construction of RCC Cast in Situ / Precast Valve Chamber as per the Drawing & Installation, Testing & Commissioning of PE Valves of all sizes in Valve Chamber. This includes Electrofusion Jointing/Tie-in with main pipeline. Chamber cover shall be pre-cast only conforming to M 35 strength. No additional charges to be paid for supply of sand in valve chamber. Water proofing agents should be added in to inside plaster.	Nos	1	22,050.00
10	Supply and Installation of Route Markers			
a	RCC Route Markers as per Sketch: Supply, fabrication and installation of RCC route markers, at distance of every 50 meter, as per the attached drawings, along the route including all associated civil works such as excavation and construction in all types of soils, grouting with concrete, clearing, supply and application of approved color and quality of primer and paint, stencil letter cutting of numbers, direction, chainage etc. restoration of area to original condition and performing all works as per drawings, specification and instruction of EIC. Markers are also required to be installed at all T points of pipeline, end point of pipeline, both end at every road crossing, and as per direction of EIC.	Nos	1	550.00
b	Pipeline Warning Sign Markers with Foundation As per Sketch: Supply, fabrication and installation of warning pole markers, at distance of every 200 meter, as per the attached drawings, including all associated civil works such as excavation and construction in all types of soils, construction of pedestals and grouting with concrete, cleaning, stencil letter cutting and painting of numbers, direction, chainage, etc. restoration of area to original condition as per the instruction of EIC.	Nos	1	3,307.50
c	Pipeline Warning Sign Markers without Foundation as per Sketch (Plate Marker): Supply, fabrication and installation of warning markers as per the attached drawings and as per the instruction of EIC.	Nos	1	330.75
11	CIVIL WORKS			
a	Plain Cement Concrete			
	Supplying and laying plain cement concrete (including shuttering of required) in all types of concrete works including leveling courses below foundation, substructure, superstructure, chambers, cable trench, under floors and any other locations, at all levels as per drawings, specifications and directions of EIC. Foundation for installation of Service Regulator shall also be considered in this SOR.

	aboveground service GI pipes, testing, purging and commissioning of the complete installation.			
	Drilling of holes through walls with proper heavy duty Hammer Drill Machine, tools & tackles, using proper sealant/ grout material & colours to match original, replacement of damages during drilling, restoring the area to original condition to the satisfaction of Owner/ EIC.			
	All above activities to be carried out as per specification to the complete satisfaction of consumer & as directed by EIC.			
	Testing, purging, commissioning, of Network; submission of as built drawing for PE line (plotting service line in main network line) and isometric drawing of GI installation duly accepted by customer and owner / owner's representative			
	Any other activity not mentioned / covered, explicitly above, but otherwise required for satisfactory completion/ safety/ statutory/ maintenance of works shall also be covered under scope of work and has to be completed by contractor within specified schedule at no extra cost to AGL.			
	Supply of all tools, tackles, Safety Harness Belt of approved quality and consumables required to execute the work in an efficient manner. Contractor has to maintain proper data entry operator at his office with laptop/desktop and update daily activity in AGL portal daily.			
a	Installation of 1/2" NB GI Pipe Threaded after Isolation Valve of Regulator piece.	Meters	1	390.00
b	Installation of 1/2" NB GI Pipe Welded after Isolation Valve of Regulator piece(Forged Fittings)	Meters	1	450.00
c	Installation of 1/2" NB GI Pipe (Regulator Piece) including Isolation Valve .	Meters	1	390.00
d	Supply & Installation of 3/4" NB GI Pipe threaded(includes installation of Isolation valve & Regulator)	Meters	1	450.00
e	Supply & Installation of 3/4" NB GI Pipe Welded after Isolation Valve(Forged Fittings)	Meters	1	500.00
f	Supply & Installation of 1" NB GI Pipe threaded(includes installation of Isolation valve & Regulator)	Meters	1	640.00
g	Supply & Installation of 1" NB GI Pipe Welded after Isolation Valve(Forged Fittings)	Meters	1	740.00
h	Supply & Installation of 2" NB GI Pipe threaded(includes installation of Isolation valve & Regulator)	Meters	1	1,091.00
i	Supply & Installation of 2" NB GI Pipe Welded after Isolation Valve(Forged Fittings)	Meters	1	1,213.00
15	(Installation of Meter & Regulator) : Fixing of Meters & Regulators with associated inlet and outlet connections/ fittings including Meter Adaptors, Regulator inlet / outlet connection fittings, supply & fixing of approved meter brackets and other supports by proper scaffolding/ grouting, Restoring the area to original condition as per specification and to complete satisfaction of consumer and EIC.			
a	Installation of Industrial/Commercial Meters & Regulator (All GI/Brass Fittings must be of NPT Thread).	Nos.	1	2,200.00
16	Transportation & Installation of metering SKID, meter EVC and associated accessories			
	Receiving and taking over, handling, loading, transportation and unloading of MRS/ Metering Skid from Owner's designated stockyards/other location to concerned site			
Note:	Rate to include cost of all labour, tools, tackles, equipment, hire charged, etc.
