Dear Sir,

With reference to the above-mentioned contract awarded to your firm for **"Composite Construction Works of New CGS and Mother Station at Pithampur"**, having a total contract value of ₹2,85,05,770.75 (Rupees Two Crores Eighty-Five Lakhs Five Thousand Seven Hundred Seventy and Seventy-Five Paise Only), excluding GST, it has been observed that your firm has failed to discharge its contractual obligations satisfactorily.

The contract was originally awarded for a stipulated completion period of one (01) year from the date of issuance of the Letter of Intent (LOI). Subsequently, Aavantika Gas Limited (AGL), in order to facilitate completion of the pending work, granted two extensions, comprising one year followed by a further extension of six months, thereby extending the contractual validity up to 21.08.2026.

Despite the extended contractual period and repeated instructions, reminders and opportunities provided by AGL, your firm failed to achieve the required progress and complete the awarded work satisfactorily.

In view of the above deficiencies, Show Cause Notices dated 06.08.2026 and 19.08.2026 were issued to your firm. However, no reply or representation was received from your firm in response to the said notices.

The above conduct has been assessed as **poor and unsatisfactory performance on grounds other than quality**, in accordance with Section II, Instructions to Bidders (ITB), Clause 2.5.1, Serial No. A, Point No. 2 of the tender document.

Accordingly, as per applicable tender provisions, this notice is hereby issued as an **Advisory Notice (Yellow Card)**, and your firm is placed on the **Watch List for a period of Three (03) Years**, in accordance with the following terms and consequences:

a) Restriction on Participation in Re-Tendering: As stipulated under the applicable tender provisions, your firm shall not be permitted to participate in the re-tendering process for the same work or undertake any supply, work or services at the location from which the contract has been terminated/offloaded, as applicable.

b) Forfeiture of Contract Performance Security: AGL shall initiate and undertake action for forfeiture/encashment of the Contract Performance Security (CPS)/Contract Performance Bank Guarantee (CPBG), as applicable, in accordance with the relevant contractual provisions and the approval of the competent authority.

c) Risk and Cost Liability for Completion of Balance Work: In terms of Clauses 13.2.1, 13.2.2, 15.3 and 15.4 of the tender document, AGL reserves the right to get the balance work completed through another contractor or by other means at your firm's risk and cost. Your firm and its sureties, if any, shall be liable for the admissible excess cost over the cost calculated at the rates specified in the original contract, in accordance with the applicable contractual provisions. AGL reserves the right to recover such amounts through permissible contractual remedies.

The above actions shall be without prejudice to AGL's other rights and remedies under the contract and applicable law.

The Watch List period shall cease upon completion of Three (03) Years, in accordance with the applicable tender provisions.

Yours faithfully,
For Aavantika Gas Limited
